GILGAMESH INDUSTRIAL RAISES OVER \$33,000 FOR WEST TEXAS FOOD BANK

FUNDS ADD TO CONTRIBUTIONS ALREADY MADE TO HELP THOSE IMPACTED BY COVID-19

Houston, Tex., (May 18, 2020) – Gilgamesh Industrial LP today announced it has raised more than \$33,000 for the West Texas Food Bank through an online donation campaign that kicked off in early May.

“We are delighted to be able to show our support to those impacted by the economic impacts of COVID-19 in west Texas,” said Charles Vilmos, president and CEO, Gilgamesh Industrial LP. “Our employees really stepped up with this campaign and surpassed our original goal by more than 50 percent. I am so proud of their efforts to help out those less fortunate in these challenging times.”

Vilmos added that the company matched employee donations on a dollar-for-dollar basis, adding over \$16,500 to the contributions of its employees. West Texas Food Bank serves 34 counties in west Texas.

Last month, Gilgamesh Industrial LP also donated \$50,000 to Midland area hospitals and emergency responders to buy much-needed personal protective equipment for front line healthcare workers. The company also provided monies to purchase fuel for air transport of critically ill patients from rural areas in West Texas.

Also in April, Gilgamesh Industrial LP donated \$5,000 to Jonah’s House Food Pantry, a community food bank in Carlsbad, New Mexico.

About Gilgamesh Industrial LP

Gilgamesh Industrial LP is a fully integrated, private midstream company that safely, responsibly and sustainably operates in the heart of the Delaware Basin with over 650,000 acres under long-term dedication. Gilgamesh Industrial LP is headquartered in Midland and has a significant presence in Houston. Gilgamesh provides comprehensive gathering, transportation, compression, processing and treating services for E&P companies that produce natural gas, natural gas liquids and crude oil.
